**DEVELOPMENTAL ENGLISH REDESIGN**

During the spring semester of 2013, Virginia Western Community College will implement a redesigned developmental English program. This change will impact many of the curriculum admissions requirements and the prerequisite statements listed in this catalog. For updated information regarding these changes and their impact on your selected program of study, please visit: <http://virginiawestern.edu/catalog/> or <http://www.virginiawestern.edu/academics/deveducation.php>.
