

ASSOCIATE OF APPLIED SCIENCE (203)

Accounting

Purpose: The curriculum is designed for persons who seek full-time employment in the accounting field or who seek to complete a four-year degree through transfer to Radford University or some other four-year institution.

Accreditation: This program is accredited by the Association of Collegiate Business Schools and Programs.

Occupational Objectives: Technician, or trainee in accounting, auditing, or management.

Admission Requirements: Applicants must meet the general admission requirements for admission to the college. Developmental courses are required for students with deficiencies in English and mathematics.

Students who do not place into college-level English on the placement test will be required to take developmental courses (i.e., ENG 1, ENG 3, ENG 4, ENG 7).

Students who do not place above Algebra I (MTH 3) and into Algebra II (MTH 4) or higher on the placement test will be required to take developmental courses.

Program Requirements: It is strongly recommended that students take ENG 111 in the first semester of coursework.
