

CAREER STUDIES CERTIFICATE (221-729-95)

Computer Aided Drafting Career Exploration

Purpose: This program is designed to expose students to entry-level job requirements of positions in technologies using computer aided drafting or CAD. The courses provide training in the use of AutoDesk's computer aided design software, AutoCAD, Inventor and Architectural Desktop. This program also provides an excellent foundation for continued study in engineering technology programs.

Occupational Objectives: CAD operator.

Admission Requirements: Applicants must meet the general requirements for admission to the college.

To be successful in this program, students must have demonstrated Math and English competency to be placed in Algebra 1 and English 111. Students not achieving this level will be required to take developmental courses or receive departmental approval.

Students who do not place above Algebra I (MTH 3) and into Algebra II (MTH 4) or higher on the placement test will be required to take developmental courses.

Program Requirements: To be successful in this program, students must possess basic computer literacy to include keyboard and mouse usage and file management.
