

ASSOCIATE OF SCIENCE (699)

General Studies

Purpose: This curriculum is designed to satisfy the general education component of a baccalaureate degree for students who intend to transfer to a four-year institution.

Admission Requirements: Applicants must meet the requirements for admission to credit-level coursework established by the college.

Developmental Requirements: Students who do not place into college-level English on the placement test will be required to take developmental courses.

Students who do not demonstrate proficiency on the placement test in the following mathematical units will be required to complete developmental courses: MTE 1, 2, 3, 4 and 5.

It is strongly recommended that developmental education requirements be completed as soon as possible.

While a course may satisfy a requirement for a VWCC program, it may not fulfill a requirement at a four-year institution. Students who intend to transfer should verify specific program requirements with their four-year institution.

CURRICULUM AND OTHER REQUIREMENTS

GENERAL EDUCATION CORE COURSES	CREDITS
CST 100 Principles of Public Speaking (or CST 105)	3
ENG 111-112* College Composition I-II	6
