

# Interior Design – Certificate (522)

**Purpose** The Interior Design Certificate program provides a foundation in visual presentation, special design, color coordination, the evolution of furniture and interior styles, and business procedures. The curriculum is designed to introduce students to the Interior Design field and to prepare students for entry-level positions or full-time employment. Curriculum students will develop the necessary skills to work with other interior design professionals.

**Occupational objectives** The certificate program prepares the student for employment in the interior design field in a variety of occupations such as a color consultant or retail sales associate in textiles, floor coverings, decorative accessories or home furnishings. Graduates of the program will be prepared to work as an interior design aide or establish their own client base.

## Admission Requirements

Applicants must meet the general admissions requirements for admission to the college. Developmental courses are required for students with deficiencies in English and mathematics.

Students who do not place into college-level English on the placement test will be required to take developmental courses (i.e., ENG 1, ENG 3, ENG 4, ENG 7).

Students who have not completed Algebra II in high school with a “C” or better will be required to take the placement test. Students who do not place above Algebra II (MTH 4) and into college level mathematics (MTH 151, MTH 157, MTH 163) on the placement test will be required to take developmental courses.

**Program Requirements** Students must take ENG 111 in the first semester of classes.
