Office Supplies

- Office supplies (such as pens, pencils, grade books, etc.) are available for your use. Please check with the administrative staff for any items you might need during your employment at VWCC.

- Please do not hesitate to ask for what you need, but use all supplies wisely. Reuse and recycle when you can.

- If you have any supplies (file folders, notebooks, etc.) that you are no longer using, please bring them to the facility office so that they can be used by another faculty member and/or school.
Copy Machines

- The copy machines in the facilities’ offices are for **small copying jobs only**. Large jobs should be sent to Printing Services. Instructors are encouraged to use Printing Services for their printing needs.

[Online Request For Printing Services]
Follow these simple steps when requesting printing jobs (on-line requests do not apply):

- Complete Printing Services Form
- Bring your request to the facilities office
- The office staff will deliver and pick up your printing requests

Remember:

- Allow 3-5 days for return of print jobs.
- Printing Service delivery/pickup occurs once a day – usually by noon.
- Print jobs in the office by 8:00 am will be delivered to Printing Services the same day.
- Don’t request a print job on the same day you need it (example – If you ask for a print job to be available on Monday morning, it may not be ready when we pick up on Friday and won’t be delivered to you until noon on Monday).
- In emergency situation, you are welcome to pick up your print jobs directly from Printing Services (M-270).
