

If you are interested in applying to the VWCC LPN to Nursing AAS Bridge Program, you MUST complete the college application to Virginia Western as well as the 2026 Nursing AAS Bridge Program application. The college application must be submitted on-line, but your program application must be completed and sent to Pam Woody in the Health Professions office via mail or submit attached application to healthprofessions@viriniawestern.edu.

You are encouraged to complete the VWCC college application on-line by logging into the system at <https://apply.vccs.edu>

Indicate Virginia Western Community College as the college you plan to attend and your plan of study as CSC: Introduction to Nursing. Choose the earliest semester or term you may be likely to register for any class at VWCC or no later than spring 2026. High school seniors should select the fall semester (2026). If upon completion of HS you wish to take a summer course and encounter problems registering, you should seek assistance from the college enrollment center in Chapman Hall. If any applicant encounters difficulty submitting your information electronically, further assistance may be available in Chapman Hall for students.

For information about Financial Aid, you may call 1-855-874-6690 or email finaid@viriniawestern.edu. On-campus staff may be able to assist you in Chapman Hall. Check Navigate to determine if you can schedule an appointment or walk-in.

If you are planning a campus visit and need a campus map you may view or print one at <https://www.viriniawestern.edu/wp-content/uploads/2023/04/2023-Campus-Map-with-Building-Key-Letter-size.pdf>.

New students to the college may always contact Chapman Hall for assistance in the Enrollment Center. The Health Professions Advising & Applications Office is located in the Fralin Center for Science and Health Professions - Room 339. Once you submit your official transcripts for review, an advisor may be able to assist you. You may view notes from an advisor on the nursing homepage (select the “**Forms**” link on the left side and choose the “application process overview”) to learn more about the application process, requirements, and a tentative nursing lecture/clinical schedule. We strive to have the information updated each November. You may also reach out to Ms. Julie Ainsley, another Health Advisor at jainsley@viriniawestern.edu for advising assistance as well or the team of advisors at healthprofessions@viriniawestern.edu.
