The following is intended as a general guideline for making sure you have taken the necessary steps to apply and be considered for the Nursing program. It is the applicant’s responsibility to insure that all items arrive prior to the March 1, 2020 deadline. Late application materials will not be considered and will make the applicant ineligible to be considered for the 2020 program. Please understand an applicant may have unique circumstances, which may require further documentation or verification, in which case the applicant may be asked to furnish material not mentioned below. Every effort will be made to provide clear instructions to applicants needing to provide such information. Please keep this checklist to refer to – you do NOT need to return it to us.

☐ VWCC college application—(Encouraged to complete on-line. See forms “Application Instructions” if need assistance.)

☐ 2020 Nursing program application form (restricted admission program)

☐ Priority consideration is given to those with any of the following: (CNA or CCMA credential, EMT, paramedic, corpsman, phlebotomist or 12 months of healthcare experience in patient care related role with letter of recommendation from supervisor). Please submit copy of certification or healthcare credential with application. Healthcare experience without a credential is considered with a supervisor’s recommendation indicating 12 months of healthcare experience related to patient care. All transcripts must be sent to Pam Woody prior to March 1, 2020 (it must be in the original envelope with the envelope seal intact from the school that issues it, please do not open it).

- High School transcripts are still required if you completed at least 9th grade.

☐ Official college transcripts from all colleges attended (except VWCC or any Virginia Community College)

Official transcripts are still in the original sealed envelope from the school that issues it, please do not open. Applicants should remember that if you register for any college courses after your application is on file, you will be responsible for having “official” transcripts sent to us directly from any non-Virginia Community College after Fall 2019 grades are posted by that institution (before 3/1/20 deadline). These transcripts are required and may serve to update your GPA, academic progress, and completion or enrollment in a required prerequisite.

☐ Once all your transcripts are received by the advisor (Miss Woody) a 2-page form letter will be sent (allow 3-4 weeks after submitting) – includes information about your prerequisites:

- Algebra I completed with a grade of “C” or better by the end of the Spring 2020 semester (high school or equivalent MTE units 1 - 5)

Please watch nursing website for dates and times and instructions on how to register for session.
Keep the Health Professions advisor informed of all name and address changes. *(Nursing applicant database for all program mailings is separate from the college.)*

The above criteria must be met to be eligible and continue in the process for consideration for 2020.

**Kaplan** entrance test scheduled/taken – A letter should be mailed out between mid-late March to qualified applicants with the testing details. If not received, you should contact advisor (Miss Woody) before March 22. Letters are also mailed to ineligible applicants informing them what requirements are not met or why they are not being considered.

Complete the Kaplan. Note: applicants must score a 45% or higher on each section of the Kaplan (Science, Writing, Math, Reading and Critical Thinking).

Notification of status in fall program will be sent (either mail or to student email account) in late May after spring grades are posted so pre-requisite GPA can be calculated for those enrolled in any prerequisite course(s) in spring.
