

RADIOGRAPHY CHECKLIST

The following is intended as a general guideline for making sure you have taken the necessary steps to apply and be considered for the Radiography program. **It is the applicant's responsibility to insure that all items arrive prior to the February 1, 2021 deadline.** Late application materials will not be considered and the applicant will be ineligible for the 2021 program. Please understand an applicant may have unique circumstances, which may require further documentation or verification, in which case the applicant may be asked to furnish material not mentioned below. Every effort will be made to provide clear instructions to applicants needing to provide such information. You do not need to submit this list with application material.

- VWCC college application completed for Introduction to Radiography CSC (This should be your first step) (Encouraged to submit on-line. See **forms** "Application Instructions" if more assistance is needed.)
- 2021 Radiography application form completed/submitted (see "Forms" - not electronic)
- Official** High School transcript (*Required for all applicants, including those holding a higher degree.*)
- GED copy of scores (*if applicable*)
 - High School transcripts are still required if you completed at least 9th grade.
- Official** college transcripts from all colleges attended (except VWCC or any Virginia Community College) Official transcripts are still in the original **sealed envelope** from the school that issues it, please do not open. Applicants should remember that if you register for any college courses after your application is on file, **you will be** responsible for having "official" transcripts sent to advisor (Pam Woody) directly from any **non-Virginia Community College** after Fall 2020 grades are posted by that institution (must be received by Ms. Woody before the 2/1/2021 deadline). These transcripts serve to update your GPA, academic progress, and completion or enrollment in any required prerequisites.

After you have submitted all of the above, to be considered you must meet the following:

- Receiving an Advising form **letter** upon completion of academic file (please allow 4-5 weeks after submitting materials) – contains info in regards to **prerequisites**: Algebra I and Alg. II, one lab science, BIO 141 (college Human Anatomy & Physiology I), and SDV 101
 - _____ **Algebra I and Algebra II** (high school or equivalent MTE 1 - 9) completed with a grade of "C" or better by the end of the Spring 2021 semester - "VPT" placement testing will be utilized to determine what developmental math units must be completed to satisfy math requirement, if not completed in HS. Speak with advisor about VPT results.
 - _____ **One lab science** (Biology, Chemistry, **or** Physics) completed in HS **or** higher level with a grade of "C" or better by the end of Spring 2021. Biology preferred.
 - _____ **BIO141** (college level Human Anatomy & Physiology I). This is the mandatory 2nd science. (must be completed within five years prior)
 - _____ **SDV101** (Orientation to Health Professions – 2 cr). Previous degrees can be evaluated - see letter.
- Have cumulative GPA of **2.5** or higher at the end of Fall 2020 semester to be eligible.
- Request updated college transcripts of courses completed summer and fall 2020 (if applicable). All transcripts must be sent **directly to Pam Woody**, 3091 Colonial Ave., Roanoke, VA 24015 by February 1st.
- Keep the Health Professions advisor informed of all name and address changes. (*We **do not** check or get notifications from changes made to your system generated college information.*)
- Entrance test (**HESI**) / Interview– qualified applicants **please wait** for further instructions, which should be mailed sometime in February. (If you apply near the deadline, we will process as quickly as possible.)

Reminders

Program decision letters (acceptance/non-acceptance) will be mailed in late May after spring grades are posted.
