

If you are interested in applying to Medical Lab Technology program at VWCC/Joint Venture with Mountain Gateway CC, you must complete the **VWCC** college application, as well as the program application form (other required material is discussed on the “Apply Now” page). The college application must be submitted on-line. This is also required for those interested in the Joint Venture site at Mountain Gateway Community College. All applicants are encouraged to complete now, but no later than the deadline.

Those applying for the MGCC site will also need to complete a college application for MGCC before July 1 (unless you are already registered as a student there or plan to complete courses at MGCC prior to summer 2026). At Mountain Gateway, please select the plan of Advanced Health Care Certificate.

The program application must be mailed, emailed via pdf attachment, or brought to Health Professions Advising and Applications Office in the Fralin Center for Science and Health Professions, -Room 339 at VWCC (all material required by **July 1st**). All application materials must be sent addressed directly to Pam Woody at VWCC in Roanoke. The HP Advising Team can provide advising assistance after reviewing your official transcripts. In addition, you can address application concerns, advising questions and etc. by contacting a team of advisors at healthprofessions@virginiawestern.edu. Applicants for the Joint Venture at MGCC do not need to submit transcripts to MGCC to apply to this program. All Application materials are submitted to Pam Woody at VWCC.

You are encouraged to complete the VWCC college application on-line by logging into the system at <https://apply.vccs.edu>

Indicate Virginia Western Community College as the college you plan to attend and your plan of study as **Career Studies Certificate: Introduction to Medical Laboratory Technology**. Also apply to **Mountain Gateway CC and choose Advanced Healthcare Certificate as your plan of study**. At VWCC, choose the earliest semester or term you may be likely to register for any class at VWCC or no later than summer 2026. High school seniors should select the fall semester (2026). If, upon completion of HS, you wish to take a summer course and encounter problems registering, you should seek assistance from the college enrollment center in Chapman Hall. If any applicant encounters difficulty submitting your information electronically, further assistance may be available in Chapman Hall for students.

For information about Financial Aid at VWCC, you may call 1-855-874-6690 or email finaid@virginiawestern.edu On-campus staff may be able to assist you in Chapman Hall and you can also schedule an appointment with Navigate as well. Please note, that if accepted into the Program at VWCC, your FA will be administered from the FA Office at VWCC. If admitted, you will be given a contact person at VWCC FA Office that will work with the Joint Venture students.

If you are planning a campus visit and need a campus map, you may view or print one at <https://www.virginiawestern.edu/wp-content/uploads/2023/04/2023-Campus-Map-with-Building-Key-Letter-size.pdf>

New students to VWCC may always contact Chapman Hall for assistance in the Enrollment Center. The Health Professions Advising and Applications Office is located in the Fralin Center for Science and Health Professions - Room 339. Once you submit your transcripts, a HP team-member may be able to assist you. You may view notes from the advisor on the Medical Laboratory Technology homepage (select the “**Forms**” link on the left side and choose the “application process overview”) to learn more about the application process, requirements, and a tentative Medical Laboratory Technology schedule. We strive to have the information updated each July. In addition, you may also want to reach out to another advisor for Health Professions, Ms. Rhonda Perdue at rperdue@virginiawestern.edu for assistance in career planning and course selections at VWCC as well contact healthprofessions@virginiawestern.edu as another option to reach a team of Health Profession Advisors. **At MGCC**, you may wish to contact Ann Courtney at acourtney@mgcc.edu or 540-863-2825 for assistance with prerequisite courses at MGCC.
