
If you are interested in applying to the Surgical Technology program at VWCC, you MUST complete the VWCC college application, as well as the program application form (other required material is discussed on the "Apply Now" page). The college application can be submitted on-line. The program application must be mailed or brought to the advisor in the Fralin Center for Science and Health Professions-Room 339 (all material required by June 1st).

You are encouraged to complete the VWCC college application on- line by logging into the system at https://apply.vccs.edu

Indicate Virginia Western Community College as the college you plan toattend and your plan of study as **Career Studies Certificate: Introduction to Surgical Technology**. Choose the earliest semester or term you may be likely to register for any class at VWCC or no later than summer 2027. High school seniors should select the fall semester (2027). If upon completion of HS you wish to take a summer course and encounter problems registering, you should seek assistance from the college enrollment center in Chapman Hall. If any applicant encounters difficulty submitting your information electronically, further assistance may be available in Chapman Hall for students.

Pam Woody and Jasmine Terry are the Health Professions Program Application Processors at VWCC who will review your application material for completeness and determine if you will qualify for consideration. For specific course questions and advising, you can reach out to the Program Advisor, Ms. Rhonda Perdue at rperdue@virginiawestern.edu

For information about Financial Aid, you may call 1-855-874-6690 or email finaid@virginiawestern.edu On-campus staff may be able to assist you in Chapman Hall and you can also schedule an appointment with the Navigate as well.

If you are planning a campus visit and need a campus map, you may view or print one at https://www.virginiawestern.edu/wp-content/uploads/2023/04/2023-Campus-Map-with-Building-Key-Letter-size.pdf.

New students to the college may always contact Chapman Hall for assistance in the Enrollment Center. The Health Professions Advising and Applications Office is located in the Fralin Center for Science and Health Professions – Room 339. Once you submit your transcripts, a HP team-member may be able to assist you. You may view notes from the advisor on the Surgical Technology homepage (select the **"Forms"** link on the left side and choose the "application process overview") to learn more about the application process, requirements, and a tentative Surgical Technology schedule. We strive to have the information updated each June. In addition, you may also want to reach out to another advisor for Health Professions, Ms. Rhonda Perdue at rperdue@virginiawestern.edu for assistance in career planning and course selections as well contact healthprofessions@virginiawestern.edu as another option to reach a team of Health Profession Advisors.
