Applicants must meet the general admission requirements for the college. Must have completed one unit of **all** the following **high school** prerequisites with a grade of "C" or better in each **by the end of spring 2027**: **Chemistry**. A deficiency in a science course may be removed by completing one semester of an equivalent or higher level college course with a "C" or better. Applicants must also **complete** the following **college prerequisites**: **BIO 141** (Human Anatomy & Physiology I)**, ENG 111, PSY 230, and SDV 101** by the end of **spring 2027** (all with a **"C"** or better)**.** BIO 141 must be completed less than 5 years prior to entering the program. The college **prerequisite GPA must** be **2.5** or higher. The cumulative GPA must be 2.0 or higher at the end of fall 2026. Applicants must also be 18 years of age by June 1 prior to fall admission.

Applicants must register and attend a **mandatory informational session** (see website for dates). Informational sessions will be held (typically one per month) beginning September 2026. Additional information will be posted to the Nursing website in September regarding the September session and then additional sessions moving forward. Must attend one session from September 2026 to February 2027 for fall 2027 consideration.

Please answer **YES** or **NO** to the following questions:

_____ Are you a high school graduate? (Year _____) **OR** Are you a current high school senior? _____
Note: **Official high school transcript** must be submitted in the HS sealed envelope with the application. In addition student must be 18 years of age or older by June 1 prior to start of fall program.

If NO to both, have you completed a **GED**? _____ (Year ____) Note: You must submit a copy of GED scores.

_____ Have you been enrolled in a nursing program before? If so, where? _____

_____ Do you have any of the certification(s) listed below? If so, list type: _____ Consideration is given to those with any of the following: (CNA or CCMA credential, EMT, paramedic, corpsman, credentialed phlebotomist or 12 months of healthcare experience in patient care related role with letter of recommendation from supervisor). **Please submit copy of certification or healthcare credential with application. Healthcare experience without a credential is considered with a supervisor's recommendation indicating 12 months of healthcare experience related to patient care. Please submit recommendation letter with application-must include dates-only** if you **do not** have a healthcare certification or credential to submit. Only submit letter if you do not have a current healthcare credential or license.

Please **list all colleges** you have ever attended below (including VWCC) and indicate degrees earned. **Official transcripts** (in original sealed envelope) from all colleges are required to apply. (**No** transcripts are needed for VWCC or any other community college in Virginia.)

Name of College(s)	**Dates Attended – Year(s) & Degree (s) Earned**

All applicants must have a complete academic application file by **December 1, 2026** to be considered. **No exceptions.** Your academic file consists of your VWCC college application being current, **official** sealed transcript from high school, copy of GED scores (if applicable), and **official** transcripts (in original sealed envelope) from **ALL** colleges and institutions attended/attending. Application will be submitted to Health Professions Advising and Applications Office. Transcripts will be sent to VWCC Records Office. Requesting transcripts is the responsibility of the applicant. Confirm receipt of official transcripts from Records and then notify HPAAO that all academic items are present. Early application is *encouraged* for advising. I understand that I must register and attend an informational session that will occur beginning Fall 2026 (typically one per month) and the dates will be loaded on the website in September 2026. Must attend by February 15 for fall.

_____ _____
Applicant Signature **Date**
