

Virginia Education Wizard Career Planning Project (Phase 2)

Student Name

Student ID#

DIRECTIONS: During the course of this project, you will complete a Skills assessment, an Interest assessment, and a Values assessment in the Virginia Education Wizard. The purpose of completing these assessments is to determine if your long-term goals match your skills, interests and values.

This assignment is the second phase of a three phase assignment, so it is important that you do not lose this information once it has been returned to you.

1. College Catalog Page	Attached: YES or NO
--------------------------------	----------------------------

Obtain a copy of the College Catalog page for your program of study at Virginia Western. This information can be printed from the online College Catalog: <https://www.viriniawestern.edu/catalog/>. Attach your College Catalog Page to this instruction sheet.

Non-Curricular Students: If you have not declared a program of study at Virginia Western, print the College Catalog page for a program of study that would prepare you for employment in one of the three Career Clusters identified in your Combined Assessment Results from the Virginia Education Wizard. Attach that College Catalog Page to this instruction sheet.

2. Advisement Report	Attached: YES or NO
-----------------------------	----------------------------

Log-in to the Student Information System through your My VWCC account and print your Advisement Report. Step-by-step instructions for accessing your Advisement Report are available on Navigate MyVWCC:

<http://www.viriniawestern.edu/studenthelp/student/viewadvisementreport.php>

Attach your Advisement Report to this instruction sheet.

Non-Curricular Students: If you have not declared a program of study at Virginia Western, log-in to the Student Information System through your My VWCC account and print a What-if Report for the program of study you identified in question #1 that would prepare you for employment in one of your three Career Clusters from the Virginia Education Wizard. Attach your What-If Report to this instruction sheet.

3. Student Academic Completion Worksheet	Attached: YES or NO
---	----------------------------

Using the College Catalog page for your program of study at Virginia Western, complete the Student Academic Completion Worksheet. This worksheet will help you plan the number of credits and courses that you will pursue until your degree is complete.

This information will also be used to assist you in completing the Virginia Education Wizard Career and Course Planner in Phase 3 of this project.
