Bluefield State College

  
Yvonne Campbell  
Interim Dean  
School of Business, Technology, Trades  
Virginia Western Community College

# **ARTICULATION AGREEMENT**

**Virginia Western Community College**  
**Associate of Applied Science in Accounting**

**Bluefield State College**  
**Bachelor of Science in Business Administration**

Bluefield State College (hereafter referred to as BSC), a college located in Bluefield, West Virginia, and Virginia Western Community College (hereafter referred to as VWCC), a community college in Roanoke, Virginia, agree to offer an articulated program leading to the award of a Bachelor of Science degree in Business Administration. They further agree that students from VWCC, through this articulation policy, will be allowed to transfer credits earned for the A.A.S. in Accounting to the award of the B.S. in Business Administration at BSC, as specified in the attached curriculum articulation table. The following general principles guide the operation of this Agreement:

1. The program is designed for graduates of the A.A.S. degree in Accounting at VWCC.
2. A maximum of 67 credit hours from VWCC will be allowed toward the fulfillment of the 120 credit hours required for the BSC baccalaureate degree in Business Administration.
3. The BSC W. Paul Cole, Jr. School of Business standard requiring that 50% of all 300-400 level business courses be completed within the Cole School of Business will apply to students transferring to BSC under this Agreement.
4. All courses meeting general education requirements at VWCC will transfer to BSC as general education courses.
5. Students must maintain a 2.0 cumulative grade point average in order to transfer.

6. Once the A.A.S. degree in Accounting is completed at VWCC, and the student has been admitted to BSC, the student may commence the B.S. in Business Administration at BSC.
7. Any VWCC student who is a Virginia resident and completes the VWCC A.A.S. in Accounting with a 3.0 or above cumulative grade point average will be granted an academic scholarship by BSC to reduce their tuition and fees to the West Virginia in-state rate for tuition and fees.
8. Any VWCC student who is a Virginia resident and completes the VWCC A.A.S. in Accounting with a 2.00-2.99 cumulative grade point average will pay the Metro Rate at BSC rather than the out-of-state tuition rate.
9. VWCC students who have completed the A.A.S. in Accounting will be given every consideration for financial assistance and will be eligible to compete for additional academic scholarships at BSC.
10. While VWCC and BSC do not presently have a dual enrollment program, should one be developed in the future, this Agreement will not preclude students from participation, and students may apply for and receive the benefits of dual enrollment. Those students would then be subject to the policies of said program.
11. This Agreement becomes effective on the date set forth on the first page of this document. VWCC and BSC agree to publicize this program. They further agree to monitor the performance of this Agreement and to revise it as necessary. The Agreement may be terminated by either party for just cause and after adequate notice to the other. Termination of the Agreement will not affect any students currently enrolled at VWCC in the A.A.S. in Accounting program at the time of termination, and they shall be able to transfer credits pursuant to this Agreement.
