

Agreement of Articulation
Between
Ferrum College Criminal Justice Program
And
Virginia Western Community College

To facilitate the transfer of students from the Administration of Justice curriculum at Virginia Western Community College to Ferrum College (Criminal Justice B.S./B.A. Degree), the following agreement has been established:

Ferrum College will:

- Guarantee that VWCC students will be accepted upon the successful completion of the Administration of Justice Degree
- Guarantee that VWCC students will have junior status if they have successfully completed 56 hours with a grade of "C" or above, and
- Guarantee that all of the credits earned for that degree will transfer to Ferrum College (100-200 level courses excluding, SDV College Skills Courses, with a minimum grade of C).

Virginia Western Community College will:

- Advise students interested in transferring to Ferrum College to enroll in the courses listed in the attached approved curriculum (Courses to be completed at Ferrum College are listed on the attached curriculum list – See Appendix A).

Transfer students will:

- Submit all required documents and fees.
- Meet published deadlines for applications, deposits, etc.
- Send official transcripts directly to the Admissions office indicating graduation.
- Meet all other Ferrum College admissions requirements.
- Meet additional Degree Requirements, Major, and Minor Requirements.
- Meet all program requirements as outlined in the Ferrum College Catalog.
- Complete at least 32 of their last 64 credit hours at Ferrum College.
- Complete at least 50 percent of the credit hours required for the major and minor (if any) at Ferrum College.
- Maintain a grade point average of at least 2.0 for hours earned at Ferrum College.
- Complete at least 30 credit hours at the 300-400 level at Ferrum College.

Ferrum College will also:

- Grant transfer credit for all Administration of Justice courses completed successfully at the 100-200 level, excluding, SDV College Skills Courses, with a grade of "C" or above even when the student has not completed the Associate Degree.

Furthermore, both institutions agree to:

- Meet periodically to review this agreement, share information on the progress and preparation of these students, and discuss any other issues of articulation that may be appropriate.
- Keep each other informed of any changes in curricula, policies, or procedures that might affect this agreement and its implementation, and
- Allow and encourage cross registration.
