Notes:

¹Any modifications to the above pathway will be outlined in writing and agreed upon by the College and school division. Any modifications will not prevent students from obtaining the plan's intended credential.

²In order to participate in the above pathway, a student must meet all dual enrollment admission requirements, have a 3.0+ HS GPA and satisfied math admission criteria. In order to enroll in any of the courses noted in the pathway, all course pre-requisites must be met.

³Program information including purpose, occupational objectives, admission requirements, notes, computer competency requirements, and course requirements may be found in the College catalog found at: www.viriniawestern.edu

⁴Credit for high school AP courses is dependent upon earning the score referenced on the VWCC website.

- Students seeking this degree through the HB1184 pathway, must submit the *Dual Enrollment HB1184 Declaration of Intent* form and adhere to the academic calendar for graduation application and fees. Degree requirements are determined by the date of the receipt of the HB1184 form and the VWCC catalog year requirements in effect at that time. **This pathway is a sample. Please refer to the VWCC on-line catalog for the current degree requirements or additional information about this program of study.** https://catalog.virginiawestern.edu/preview_program.php?catoid=19&poid=2573&returnto=2193
- At least 25% of course work for this degree must be completed through VWCC campus classes or dual enrollment course work at the high schools
- Passport Courses: Courses with a “p” have been identified by SHEV as an Approved Passport Course
