

VIRGINIA WESTERN COMMUNITY COLLEGE

CLERY ACT AND CAMPUS SECURITY AUTHORITY

ANNUAL TRAINING

Welcome to Virginia Western Community College **Clery Act training for Campus Security Authorities** and the college's responsible employees.

This training is intended to familiarize you with the requirements of the Jeanne Clery Campus Security Policy and Crime Statistics Disclosure Act, most commonly referred to as the Clery Act.

Along with a general overview of the Clery Act, this presentation will provide an understanding of the College's obligations under the law, the reporting requirements for Campus Security Authorities (CSA), and the proper procedures for reporting allegations of crimes by Responsible Employees.

VIRGINIA WESTERN CAMPUS POLICE

WHY ARE YOU VIEWING THIS TRAINING?

In accordance to federal law known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crimes Statistics Act, Virginia Western is required to identify and notify certain employees of their designation as a Campus Security Authority. If you're watching this training, chances are you are a Campus Security Authority, or CSA.

The term "Campus Security Authority" refers to an individual who, because of his or her function for the college, has an obligation under the Clery Act to notify the college of alleged Clery crimes.

As a CSA, it is critical you understand the Clery Act and what it requires of you. The training you're about to participate in will ensure you're knowledgeable of the law and aware of your obligations under federal statute. All Virginia Western CSA's are required to complete this training annually.

VIRGINIA WESTERN CAMPUS POLICE

BRIEF HISTORY OF CLERY?

- The *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act)* is named in memory of Lehigh University freshman Jeanne Clery who was brutally raped and murdered by a fellow student in her residence hall room in 1986. Shortly after the murder, her parents discovered that in the three years prior, there had been 38 undisclosed violent crimes that occurred on Lehigh's campus. Her parents believe she and her fellow students would have been more cautious if they had known about the other violent crimes on campus.
- It is judged that the University did not share vital campus safety issues with the campus community. Under the federally mandated Clery Act, universities and colleges that receive federal financial aid must report certain crime statistics, alert campus of imminent dangers and issue an Annual Campus Security Report to current and prospective students and employees. CLERY REPORT AND POLICY REQUIREMENTS?

Three of the main requirements of the Clery Act for colleges, focuses on the disclosure of certain timely and annual information about campus crime and security policies.

These three requirements are:

- The responsibility to collect, classify, and count crimes.
- The College must issue timely campus warnings about imminent dangers.
- The College must publish an Annual Security Report.

We will review each of these requirements in more detail throughout the training.

NOTE: CSA specific responsibilities cannot be discussed without an understanding of the College's Clery specific requirements first.

THE *THREE MAJOR CLERY REQUIREMENTS?*

FIRST - Collect, classify, and count crime

The **FIRST MAJOR REQUIREMENT** that the College must comply with is the responsibility to collect, classify, and count crimes. The Clery Act requires institutions to disclose three general categories of crime statistics: criminal offenses, hate crimes, arrests and violations of Title IX and , if they occurred in a Clery geographic location.

SECOND -Issue Campus Alerts and Timely Warnings

The next and **SECOND MAJOR REQUIREMENT** under the Clery Act calls for the issuance of campus alerts when a serious or ongoing threat has been identified. There are two types of campus alerts under the Clery Act: a Timely Warning and an Emergency Notification.

THIRD - Publish a Daily Crime Log and Annual Security Report

The **THIRD MAJOR REQUIREMENT** is that the college publish a Daily Crime Log of criminal incidents and alleged criminal incidents that are reported. We are also mandated to publish an Annual Security Report by October first of each year. This report provides statistics for the previous three years concerning reported crimes that occurred in a Clery geographic location. This report also includes institutional policies concerning campus security.

Incidents & Statistics

The safety and security of students, employees, and visitors to Virginia Western is of paramount importance to us. To that end the college provides a Daily Crime Log consisting of criminal incidents and alleged criminal incidents.

Our goal is to maintain a written, easily understood daily crime log that records; type of crime, criminal case number, date and time reported, date and time of occurrence, where in our campus geography the crime is said to have occurred, and the case's final disposition.

CAMPUS SECURITY AUTHORITY
*CLERY REPORT AND POLICY REQUIREMENTS?***

Campus Security Authority

What is your role?

VIRGINIA WESTERN CAMPUS POLICE CAMPUS SECURITY AUTHORITY *CLERY REPORT AND POLICY REQUIREMENTS?*

Campus Security Authority

Now that we have reviewed the College's requirements under the Clery Act, we will now review the individual responsibilities that some of our employees and volunteers must abide by.

Campus Security Authority is a Clery specific term, that encompasses four groups of individuals and organizations associated with an institution, that are required by law to report criminal offenses, hate crimes, and arrests and referrals for disciplinary action that occur in a Clery geographic location.

DOE definition: "If someone has significant responsibility for student and campus activities, he or she is a campus security authority."

VIRGINIA WESTERN CAMPUS POLICE CAMPUS SECURITY AUTHORITIES *CLERY REPORT AND POLICY REQUIREMENTS?*

Who is a Campus Security Authority?

- Campus Police
- Security Officers and people responsible for campus security.
- Officials with significant responsibility for student and campus activities.
- Any official of an institution who has significant responsibility for student and campus activities. (An “official” is defined as any person who has the responsibility to take action or respond to particular issues on behalf of the institution).

VIRGINIA WESTERN CAMPUS POLICE

CAMPUS SECURITY AUTHORITY

CSA RESPONSIBILITIES

What are the responsibilities of a CSA?

If you become AWARE of a Clery reportable offense that occurs in a Clery geographic location, you are required by law to promptly report the crime to the Campus Police Department.

As a review, the offenses that you are required to report are: Criminal Homicide, Forcible and Nonforcible Sex Offenses, Burglary, Motor Vehicle Theft, Robbery, Aggravated Assault, Arson, Dating Violence, Domestic Violence, Stalking, Hate Crimes and Arrests or Referrals for Weapon, Drug, and Liquor law violations.

To clarify, you do not need to witness the crime. Under the Clery Act, a crime is “reported” when it is brought to the attention of a campus security authority by a victim, witness, other third party, or even the offender. Whether the reporting party is affiliated with the college or not has no bearing on your responsibility to report.

VIRGINIA WESTERN CAMPUS POLICE

CAMPUS SECURITY AUTHORITY

BEST PRACTICES FOR REPORTING

What are the “Best Practices” for Campus Security Authorities (CSA)?

If you receive a report of a crime and believe it was provided in good faith, you should encourage the reporter to contact the police. If the individual reporting does not wish to report the crime to police, they are not required to do so.

In a scenario where a crime is disclosed to you but the reporter does not wish to speak with police, tell the person you must report the incident but will not provide their personally identifiable information.

VIRGINIA WESTERN CAMPUS POLICE CAMPUS SECURITY AUTHORITY REPORTING A CRIME

- If you provide contact information for yourself or the victim, the Campus Police will follow-up regarding additional services and resources the College can offer.
- Each report is taken very seriously and a Timely Warning will be considered for all reports. If a Timely Warning is appropriate, the College will issue the notification in a manner that will alert the campus community of the threat.
