

VIRGINIA WESTERN COMMUNITY COLLEGE.

EXECUTIVE COMMITTEE OF THE BOARD

MINUTES #58B

The Executive Committee of the Virginia Western Community College Board met on Thursday, December 6, 1973, at 4:00 p.m. in the Fishburn Conference Room. Members present:

Mr. Paul R. Thomson, Chairman  
Mr. William S. Russell  
Mr. Henry E. Thomas  
Mr. W. Darnall Vinyard  
Mr. C. E. Webber

The Committee heard a 25-minute presentation by LBC & W Architects, Engineers and Planners out of Richmond. They were particularly interested in being considered as the architects for the building intended to span the road. On the general subject of appointing architects for this project, the Executive Committee chose to defer action until the legislature funded the building.

The Executive Committee approved the plan to purchase two temporary buildings to offset space lost by the implementation of the Dental Hygiene program.

The Executive Committee, after considering several possible budgets for the various local fund needs, did decide unanimously to approve the attached local budget for submission to the local political subdivisions for the FY 1974-75.

The meeting adjourned at 5:00 p.m.
