

Name _____ ID# _____

Program of Study _____

The developmental mathematics units that you need to complete are checked below.

NOTES:

ENGLISH

The developmental English program is designed to prepare students for college-level English in one semester. Developmental English courses are paired with SDV 108 to create learning communities.

After successful completion of ENF 1 or ENF 2, students' progress into ENG 111 or ENF 3/ENG 111 based on faculty recommendation. Based on your selected program of study and your placement test scores, your English sequence has been marked below.

____ EDUC 2151
NON-CREDIT
These students do not meet the admissions criteria for the VCCS. Refer student to Advising Center in Chapman Hall
