

Virginia Western Community College

TECHNICAL STUDIES ASSOCIATE OF APPLIED SCIENCE DEGREE APPLICATION

Plan Code 718

Student Name: _____

Empl ID: _____

Student VCCS Email _____

Requirement Term _____

Purpose: The AAS in Technical Studies provides flexible alternatives for meeting student and employer needs and features a flexible curriculum design to meet specific educational and employment goals. The curriculum will be approved by the Chief Academic Officer or designee to ensure a coherent plan of study.

Program Objectives: Prepare the graduate to enter or advance in technical fields upon graduation.

Admission Requirements: Applicants must meet the requirements for admission to credit-level coursework established by the college.

Developmental Requirements: Students who do not place into college-level English will be required to take developmental courses.

Students who do not demonstrate proficiency in MTE 1, MTE 2 and MTE 3 will be required to take developmental courses.

It is strongly recommended that developmental education requirements be completed as soon as possible.

Program Notes: This curriculum allows the student to select (1) or (2) existing certificates, to include career studies certificates, with additional courses to create a coherent plan of study in a technical field of the student’s choice. The student should work with an advisor to develop their plan of study. The plan of study must be approved in advance by the Chief Academic Officer or designee.

I- GENERAL EDUCATION

(15 CR required; at least 3 CR from each discipline)
