Update Your Skills or Learn for Fun with Spring 2022 Seminars or Short Session Classes

For information on the following seminars, please call: School of Business, Technology and Trades (540) 857-7272.

The School of Business, Technology and Trades provides many opportunities for updating skills or just for fun! The following seminars or short session classes, unless otherwise noted, earn a grade of Pass or Unsatisfactory instead of a letter grade. Credits earned do not calculate into the GPA. The courses are two to five sessions. You must attend all sessions of the course to earn credit; there will be no make-ups. Seminars are one (1) credit unless otherwise noted. For most of the seminars, materials are furnished.

REFUND POLICY: For a refund of tuition, students must drop seminars prior to the first class meeting or within the first two hours of the seminar. Students must complete the drop process by using MYVWCC at www.virginiawestern.edu.

SPECIAL NOTE: In the event of inclement weather or a college closing: Decisions to close the college for night classes or events will be made by 3 p.m. or closely thereafter; decisions to cancel day classes or events will be made by 6 a.m. or closely thereafter. The time the seminar session begins for each meeting pattern determines class cancellations due to weather or other college closings:

- If your session begins at 5 p.m. or after, that session will follow college closings for night classes.
- If the session begins at 7 a.m. or after, that session will follow college closings for day classes.

The college will reschedule any session that is cancelled due to weather or any reason
