Late application materials will not be considered and will make the applicant ineligible to be considered for the 2024 program. Please understand an applicant may have unique circumstances, which may require further documentation or verification, in which case the applicant may be asked to furnish material not mentioned below. Every effort will be made to provide clear instructions to applicants needing to provide such information. Please keep this checklist to refer to – you do NOT need to return it to us.***

- VWCC college application** – Must be completed **on-line**. Please see the instructions sheet in the “Forms” section. If you currently attend VWCC and are in another plan of study, please notify the pre-health advisor, Ms. Perdue,(or notify healthprofessions@viriniawestern.edu and include your seven digit student id) to arrange to have your plan of study changed to CSC: Introduction to Surgical Technology to reflect your current career goals.

- Once all your transcripts are received by one of the HPAAO team members (Ms. Woody or Ms. Terry) a 2-page form letter will be sent (usually within 4 weeks, may be longer if submitting January 1st to May 1st) – which includes information about your **prerequisites**: BIO 141, HLT 141 and SDV 101
