

If you are interested in applying to Medical Lab Technology program at VWCC-Joint Venture with Mountain Gateway CC, you MUST complete the VWCC college application, as well as the program application form (other required material is discussed on the “Apply Now” page). The college application must be submitted on-line. All applicants are encouraged to complete now, but no later than the deadline. The program application must be mailed, emailed via pdf attachment, or brought to Health Professions Advising and Applications Office in the Fralin Center for Science and Health Professions-Room 339 at VWCC (all material required by May 1st). All application materials must be sent addressed directly to Pam Woody at VWCC in Roanoke. The HP Advising Team can provide advising assistance after reviewing your official transcripts. In addition, you can address application concerns, advising questions and etc. by contacting a team of advisors at healthprofessions@virginiawestern.edu. All Application materials are submitted to Pam Woody at VWCC. (Mountain Gateway Joint Venture applications, please review and follow your application instructions under the Mountain Gateway link for application.)

You are encouraged to complete the VWCC college application on-line by logging into the system at <https://apply.vccs.edu>

Indicate Virginia Western Community College as the college you plan to attend and your plan of study as **Career Studies Certificate: Introduction to Medical Laboratory Technology**. Choose the earliest semester or term you may be likely to register for any class at VWCC or no later than summer 2024. High school seniors should select the fall semester (2024). If, upon completion of HS, you wish to take a summer course and encounter problems registering, you should seek assistance from the college enrollment center in Chapman Hall. If any applicant encounters difficulty submitting your information electronically, further assistance may be available in Chapman Hall for students.

For information about Financial Aid at VWCC, you may call 1-855-874-6690 or email finaid@virginiawestern.edu On-campus staff may be able to assist you in Chapman Hall and you can also schedule an appointment with the Navigate as well.

If you are planning a campus visit and need a campus map, you may view or print one at <https://www.virginiawestern.edu/wp-content/uploads/2023/04/2023-Campus-Map-with-Building-Key-Letter-size.pdf>.

New students to the college may always contact Chapman Hall for assistance in the Enrollment Center. The Health Professions Advising and Applications Office is located in the Fralin Center for Science and Health Professions - Room 339. Once you submit your transcripts, a HP team-member may be able to assist you. You may view notes from the advisor on the Medical Laboratory Technology homepage (select the “**Forms**” link on the left side and choose the “application process overview”) to learn more about the application process, requirements, and a tentative Medical Laboratory Technology schedule. We strive to have the information updated each June. In addition, you may also want to reach out to another advisor for Health Professions, Ms. Rhonda Perdue at rperdue@virginiawestern.edu for assistance in career planning and course selections as well contact healthprofessions@virginiawestern.edu as another option to reach a team of Health Profession Advisors.
