Student's Name

Empl ID (Required)

The CPT Certification is an industry certification developed by the National Healthcareer Association to measure a student's knowledge and skills needed to become a certified phlebotomy technician. A student with this certification can be awarded credit for MDL 105, Phlebotomy. The certification must be current and should be renewed every 5 years. If the certification is expired and the student has been working in the field, documentation of the student's employment must be attached also. A copy of the certification is to be attached to this form.

Certified Phlebotomy Technician (CPT) through NHA: 3 credits
