

If you are interested in applying to the VWCC Practical Nursing program, you **MUST** complete the college application to VWCC as well as the program application form (other required material is discussed on the “Apply Now” page). The college application can be submitted on-line. The program application must be mailed or submitted to the HP Advising & Applications Office in the Fralin Center - Rm. 339 (all application material is required (or postmarked to the college) by September 1 for Spring consideration and April 1 for Fall consideration).

You are encouraged to complete the VWCC college application by logging onto <http://apply.vccs.edu>

Indicate Virginia Western Community College as the institution you plan to attend **and your plan of study as Career Studies Certificate: Introduction to Practical Nursing** . Choose the earliest semester you may be likely to register for any class at VWCC. High school seniors should select the fall semester following HS graduation; if upon completion of HS you wish to take a summer course and encounter problems registering, you should seek assistance from the college enrollment center staff. If you encounter any difficulty submitting your information electronically, please call the Student Services Support Center at (855) 874 6690 (24/7) or contact Enrollment Services located in Chapman Hall.

For information about Financial Aid, you may call 1-855-874-6690 or email finaid@virginiawestern.edu On-campus staff may be able to assist you in Chapman Hall. Check Navigate to determine if you can schedule an appointment or walk-in.

If you are planning a campus visit and need a campus map you may view or print one at <https://www.virginiawestern.edu/wp-content/uploads/2023/04/2023-Campus-Map-with-Building-Key-Letter-size.pdf>.

New students to the college may always contact Chapman Hall for assistance in the Enrollment Center. The Health Professions Advising and Applications Office is located in the Fralin Center for Science and Health Professions - Room 339. Once you submit your transcripts, an advisor may be able to assist you. You may view notes from the advisor on the PNE homepage (select the “**Forms**” link on the left side and choose the “application process overview”-coming in late June) to learn more about the application process, requirements, and a tentative PNE schedule (if known). We strive to have the information updated each June. In addition, you may also want to reach out to another advisor for Health Professions, Ms. Julie Ainsley for assistance in career planning and course selections as well contact healthprofessions@virginiawestern.edu as another option to reach a team of Health Profession Advisors.
