

Articulation Agreement
Virginia Western Community College
Associate of Science in Business Administration
University of Alaska Southeast
Bachelor of Business Administration

Section 1: Purpose

The purpose of this articulation agreement is to create a seamless transition from Virginia Western Community College (VWCC) to the University of Alaska Southeast (UAS) for students in pursuit of a Bachelors in Business Administration (BBA). Students from VWCC, through this articulation agreement, will be allowed to transfer credits earned for the A.S. in Business Administration (A.S. BA) to the award of the BBA, as specified in the attached curriculum articulation table. The following general principles guide the operation of this Agreement:

1. The program is designed for graduates of the A.S. BA at VWCC.
2. A maximum of 60 credits from VWCC will be allowed toward the fulfillment of the 120 credit hours required for the BBA.
3. The standard that requires 42 credits of upper-division (300 or above) courses, 24 of which must be completed at UAS, will apply to students transferring to UAS under this Agreement. Transfer courses retain the course level of upper or lower division credit established at the original college or university, [per the UAS catalog](#).
4. Starting in the Fall of 2024, any VWCC student transferring to UAS holding an A.S. BA, will be considered to have completed UAS GERs, however, they may require additional UAS general education requirements (GERs) to be completed as part of the BBA degree, [per the UAS catalog](#), in addition to the three-credit Alaska Native Knowledge. Graduation Requirement (ANKGR).
5. Students must maintain a 2.0 (C) cumulative grade point average in order to transfer.
6. Once the A.S. BA degree is completed at VWCC, and the student has been admitted to UAS, the student may commence the BBA.
7. VWCC students who have completed the A.S. BA will be given every consideration for financial assistance and will be eligible to compete for academic scholarships at UAS.
8. Credits will be applied toward the UAS BBA degree requirements according to Table 1. In cases where a student is missing a course listed on the table, the course may be taken at UAS.
