

CREDIT FOR PRIOR LEARNING

NCCER HVAC Level 1 and NCCER HVAC Core EPA Certification 608

Student's Name

Empl ID (Required)

This student has successfully documented that he/she has obtained certification from the National Center for Construction Education & Research (NCCER) by providing a copy of both the HVAC Level 1 and CORE certifications. These certifications **together** shall be awarded credit as shown below for AIR 111 and AIR 121. The appropriate documentation (copy of the certifications) is attached to this request. If the certification(s) are older than 5 years, but the student is working in the field, credit may be awarded with documentation of employment. Additionally, if a student presents a valid EPA Certification 608 with at least 3 months of work experience, they may receive credit for AIR 122. Documented proof from the employer is required.

NHA Certified Medical Administrative Assistant Certification			
☐	AIR 111 (220324)	Air Conditioning & Refrigeration Controls I	3 credits
